CLASS _____ SCORE _____

FISHBOWL MATH

Add and subtract the fish in the fishbowl.

Directions: We can't put too many fish in the fishbowls or they might be too crowded. Solve the addition and subtraction problems below to find out how many fish you can put in each bowl. Then color the number of fish that corresponds to your answer.

1.)  _____ + _____ = _____

2.) _____ - _____ = _____

3.)  _____ + _____ = _____

4.)  _____ - _____ = _____
